4.) Is there an age limit?

No

5.) I am still waiting for my transcript, can I submit it after the deadline?

Yes, if you provide proof with your application submission that a transcript request was sent at least a week before the deadline and provide an estimate on when we should receive it.

6.) How does community service increase my chances for receiving a scholarship?

The completion of 12 hours of community service is a requirement to be eligible to apply for the scholarship, therefore meeting that requirement will not increase your chances of receiving a scholarship. However, your involvement in community service, beyond the requirement, can distinguish you from other applicants. Community service is an important component of FYP's mission, and we are seeking scholarship recipients who give back to their community and value making contributions of time and service for its benefit.

FREQUENTLY ASKED QUESTIONS

7.) How do I submit my documents?

Completed application with all supporting documents must be submitted via e-mail to scholarship@fyphouston.com no later than September 23, 2023, 11:59p.m. CST. Only complete applications will be considered.

8.) Do I have to be a United States citizen to apply for a scholarship?

US Citizenship is not a requirement but you should be of legal status in the United States (i.e. permanent resident).

9.) What are the expenditures acceptable?

FYP works hard to raise the funds which are used to pay these scholarship awards. While our scholarship is not needs based, it is important to us to ensure that the award is used to assist with expenses related to and/or arising from attendance to a post-secondary education institution or program. Awardees may be asked to provide proof of payment showing how scholarship was utilized. FYP will accept but not limited to receipts, notarized affidavits, payment confirmations, or copies of checks and bank statements, that identify what was purchased or paid for with the scholarship. FYP will carefully assess submissions on a case by case basis, but FYP reserves the right to retract the scholarship award if proof of payment is not received. Additional information about this will be disclosed when the scholarship winners are informed of their award.

10.) I have questions about the application. What is the best procedure to obtain answers?
